

IN THE SPECIFICATION

Please amend the specification to insert the following paragraphs after paragraph [0026]:

FIG. 14 illustrates another end to the device illustrated in FIG. 4.

FIG. 15 illustrates another end to the device illustrated in FIG. 5.

FIG. 16 illustrates another end to the device illustrated in FIG. 6.

FIG. 17 illustrates another end to the device illustrated in FIG. 7.

FIG. 18 illustrates another end to the device illustrated in FIG. 8.

FIG. 19 illustrates another end to the device illustrated in FIG. 9.

FIG. 20 illustrates another end to the device illustrated in FIG. 10.

FIG. 21 illustrates another end to the device illustrated in FIG. 11.

FIG. 22 illustrates another end to the device illustrated in FIG. 12.

FIG. 23 illustrates another end to the device illustrated in FIG. 13.

Please amend the specification to insert the following paragraph after paragraph [0033]:

FIGS. 14 to 23 illustrate a variation in which the illustrated prosthetic grafts have an additional end to the devices illustrated in FIGS. 4 to 13. Like parts have been numbered similarly.
